

## Reinstatement Cost Assessment

Having the right insurance cover is paramount to each and every asset owner.

If you're under-insured, you run the risk of exposure to a shortfall if in the event of a claim incident. If you are over insured, the premiums you pay may be too high.

At Watts we are equipped to provide timely and accurate assessments whether you own a single property or a large portfolio.

Our specialist advisors carry out a detailed inspection of your property and give you an accurate cost for rebuilding, ensuring you are always covered to the appropriate level.

Services include:

- Site visit and asset assessment
- Reinstatement cost calculation and reporting
- Annual reinstatement cost update appraisal
